Int. No. 742

By Council Members Recchia, Jr., Cabrera, Mark-Viverito, Koo and Halloran

A Local Law to amend the administrative code of the city of New York, in relation to decreasing the number of vehicles required to qualify for base station license.

Be it enacted by the Council as follows:

Section 1. Subdivision e of section 19-511 of the administrative code of the city of New York is amended to read as follows:

e. A licensed base station shall at all times have no fewer than [ten] two affiliated vehicles, [except that a base station for which a license was first issued prior to January 1, 1988 and which at that time had fewer than ten affiliated vehicles or a base station which has an affiliation with a wheelchair accessible vehicle may have as few as five affiliated vehicles,] not including black cars and luxury limousines.

§2. This local law shall take effect immediately after its enactment into law.
