A Local Law to amend the administrative code of the city of New York, in relation to results of noise inspections

Be it enacted by the Council as follows:

Section 1. Subdivisions (f) of section 24-207 of the administrative code of the city of New York, as added by local law number 53 for the year 2018, are amended to read as follows:

(f) The commissioner shall publish on the city's website;

(i) the manner by which noise levels shall be measured during [inspections] an inspection conducted pursuant to this section and in accordance with section 24-217.1 [which shall be available online]; and

(ii) the results of each such inspection, which shall be made available on the city's website within 5 business days after such inspection has been completed.

[(f)] (g) By no later than January 31 of each year, the department shall submit to the mayor and the council, and publicly post on [its] the city's website, a report, containing, at a minimum, for the previous calendar year:

(i) the number of inspectors employed by the department;

(ii) the number of complaints regarding noise received by the department, disaggregated by the type of noise;

(iii) the number of after hours noise complaints responded to within the amount of time prescribed by rule as well as the number of duplicative after hours noise complaints;

(iv) the number of non-violation resolutions to complaints;

(v) the number of noise related violations issued;

(vi) the number of such violations which were dismissed;

(vii) the amount of civil penalties which were paid pursuant to such violations;

(viii) the number of alternative noise mitigation plans approved pursuant to section 24-221 [of this code]; and

(ix) the number of written stop work orders issued pursuant to section 24-223.1 [of this code].

§ 2. This local law takes effect immediately.
