The Notice of Completion for the FEIS identified significant adverse impacts and proposed mitigation measures with respect to the Proposed Action and the Alternative Park Plan adopted are summarized in the FEIS Executive Summary attached as Exhibit A to the Report of the City Planning Commission approving ULURP Application No. C 060059 MMX (CEQR No. 05DPR006X) and such summary is incorporated by reference herein;

RESOLVED:

Having considered the FEIS, with respect to the Application, the Council finds that:

- (1) The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) From among the reasonable alternatives thereto, the Alternative Park Plan set forth in the FEIS is the one which minimizes or avoids adverse environmental impacts to the maximum extent practicable; and
- (2) The adverse environmental impacts revealed in the FEIS with respect to the Alternative Park Plan will be minimized or avoided to the maximum extent practicable by incorporating as conditions to the approval those mitigative measures that were identified as practicable;
- (2) The Decision and the FEIS constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of the decision, pursuant to 6 N.Y.C.R.R. §617.11(d).

Pursuant to Section 197-d of the City Charter and on the basis of the Application and the Decision the Council approves the Decision.
