(b) Whether or not the prescription of minimum training and experience qualifications for eligibility for

promotion would promote greater diversity in the career advancement of employees, and the minimum training and experience qualifications considered for prescription, and if not, why not;

5. For each such vacancy filled by open competitive examination pursuant to section 51 of the civil service law:

(a) The appointing officer who submitted a written request to the commissioner to conduct an open competitive examination for filling such vacancy instead of a promotion examination, and the stated reasons for such request;
