b. Director. 1. Such office shall be headed by a director who shall be appointed by the mayor or, if the office is established within an agency other than the office of the mayor, by the head of such agency.

2. Notwithstanding paragraph 1 of this subdivision, if the mayor has established an office of active transportation, the director of such office shall be the director of the office established by this section.

c. Powers and duties. The director shall have the power and duty to:

3. Serve as an intermediary between pedestrians and city agencies to pursue, through policy recommendations, long-term solutions to issues related to pedestrian safety;

4. Promote a robust pedestrian community to further the city's interest in health and environmental sustainability while also accounting for the best interests of the city and its residents; and

5. Perform other relevant duties as the mayor may assign.

d. Report. Within 18 months of the effective date of the local law that added this section and annually thereafter, the director shall prepare and submit a report to the mayor, the speaker of the council and, if the office is established within an agency other than the office of the mayor, the head of such agency. The report shall include, but not be limited to, the activities of the office and any recommendations for legislation or policy developed by the director.

e. Nothing in this section shall be construed to limit the powers of any other agency pursuant to any other law or to limit, bind or affect the decision of any agency or officer pursuant to any process required pursuant to the charter or any other law.

§ 2. This local law takes effect 120 days after it becomes law, provided that the mayor and any affected city agency may take all actions necessary for its implementation, including the promulgation of rules, before such effective date.
