A Local Law to amend the administrative code of the city of New York, in relation to removing vehicles obstructing a sidewalk, crosswalk, fire hydrant, bicycle lane, or bus lane

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 14 of the administrative code of the city of New York is amended by adding a new section 14-184 to read as follows:

§ 14-184 Removal of vehicles obstructing traffic. When a vehicle is situated so as to constitute an obstruction of a sidewalk, crosswalk, fire hydrant, bicycle lane, or bus lane and such vehicle is unattended or the person in charge of such vehicle has not arranged for its immediate removal, a person designated by the commissioner may direct its removal by a police department tow truck upon a determination that such vehicle poses a threat to safety or would inhibit the safe and expeditious passage of buses operated by the metropolitan transportation authority.

§ 2. No later than January 30, 2021, the police department shall post on its website and submit to the speaker of the council a report on the number of vehicles towed by the department in 2020 that were obstructing a sidewalk, crosswalk, fire hydrant, bicycle lane or bus lane, disaggregated by the police precinct in which such vehicles were located and by the month in which such vehicles were towed.

§ 3. This local law takes effect 30 days after it becomes law.
