b. Bicycles shall have the same route to travel as freight to the freight elevator to the extent practicable;

c. No requirement for building personnel to escort a person bringing in a bicycle where no escort is required for individuals transporting freight or otherwise using the freight elevator to make deliveries to the building;

d. Bicycles shall be allowed to enter and exit the building during hours other than between 9 a.m. and 5 p.m. Monday through Friday through other means if the freight elevator is shut down.
