A Local Law to amend the administrative code of the city of New York, in relation to the suspension of alternate side of the street parking rules and parking meter rules during and after snowfalls

Be it enacted by the Council as follows:

Section 1. Section 19-163.1 of the administrative code of the city of New York, as added by local law number 68 for the year 2008, is amended to read as follows:

§ 19-163.1 Suspension of parking, parking meter and muni-meter rules during and after snowfalls. All alternate side of the street parking rules shall be suspended during and for forty-eight hours following the conclusion of any snowfall that causes the department of sanitation to suspend its street sweeping operations[, provided that the department may reinstate alternate side of the street parking rules after twenty-four hours if it determines, after consulting with the department of sanitation, that alternate side of the street parking is necessary to immediately commence curbside snow removal]. Whenever alternate side of the street parking rules are suspended during a snowfall, parking meter and muni-meter rules shall be suspended for the same duration of time.
