(vii) the costs associated with any increase in workers' compensation insurance for such master seniority lists qualified employee associated with the amounts described in paragraphs (i) and (ii) of this subdivision.

e. Notwithstanding any provision to the contrary in this local law, the department shall not award a grant for a master seniority lists qualified employee unless:

(i) any such master seniority lists qualified employee receives retirement and health benefits from the same health and retirement funds from which such employee received such benefits for the school year dating to placement on master seniority lists, provided that such employee is represented by the same employee organization as of the school year dating to placement on master seniority lists and the 2014-15 school year;

f. Each qualified employer shall provide written notice to the department upon the hiring any 2014 qualified employee or master seniority lists qualified employee for whom the qualified employer seeks a monetary grant.

g. The department shall provide the grant authorized by this section to qualified employers in monthly installments over a ten-month period for each 2014 qualified employee or master seniority lists qualified employee who is employed in connection with such qualified employer's contract pursuant to request for bids number B2321 with the department of education. Any such grant to the qualified employer shall be reduced if the employee is employed by such qualified employer for a period of less than ten months.

h. The department shall provide the grant described in subdivisions b and d in monthly installments after receiving satisfactory proof from the qualified employer that:

(i) the qualified employer has paid the 2014 qualified employee or the master seniority lists qualified employee the amounts described in paragraphs (i) and (ii) of subdivisions b and d respectively; and

(ii) the qualified employer has made payments of the amounts described in paragraphs (iii) through (vii) of subdivisions b and d respectively in a manner consistent with those paragraphs.

i. No qualified employer shall be eligible for an award of a grant pursuant to this section unless such qualified employer agrees that during the 2014-15 school year every school bus driver, attendant, dispatcher and mechanic shall be hired from the master seniority lists in the order of his or her seniority, provided that this requirement shall not apply to hiring by qualified employers for the 2014-15 school year that occurs prior to the effective date of this local law.

j. The award by the department of a grant to a qualified employer pursuant to this local law shall not make the city of New York, the department or the department of education the employer of any 2014 qualified

employee or master seniority lists qualified employee.

k. The grant authorized by this local law shall not: (i) impair the terms of any collective bargaining agreement to which any qualified employer and employee may be subject, and shall not (ii) interfere with any rights a school bus driver, attendant, dispatcher or mechanic has pursuant to any collective bargaining agreement.

l. The qualified employer and 2014 qualified employee or master seniority lists qualified employee, as applicable, shall be solely responsible for withholding and payment of any taxes and other government required payments.

m. Notwithstanding any provision to the contrary in this local law, the total amount of the grants authorized by this local law shall be a maximum of forty-two million dollars (\$42,000,000). The department shall allocate such amount based on the order of receipt by the department of the notifications required by subdivision f.

n. The commissioner of the department shall promulgate any rules as may be necessary for the purposes of carrying out the provisions of this local law.

§ 2. This local law shall take effect immediately and shall expire and have no further force and effect on and after December 31, 2015.
