A Local Law to amend the administrative code of the city of New York, in relation to establishing a time period for the landmarks preservation commission to take action on an item upon a motion to calendar such item for consideration of landmark status

Be it enacted by the Council as follows:

Section 1. Section 25-303 of the administrative code of the city of New York is amended by adding a new subdivision l to read as follows:

l. (1) Subject to subdivisions a through k of this section, the commission shall, upon the adoption of a motion, calendar an item to be considered for designation as a landmark, interior landmark, scenic landmark or historic district prior to holding a public hearing on such item.

(2) The commission shall, after a public hearing, act to designate an item under consideration for designation as a landmark, interior landmark, or scenic landmark within 12 months after the date that the motion to calendar such item has been adopted by the commission. In the event the commission fails to designate the item within such 12 month period, the item shall be removed from the commission's calendar, except that the commission or the chair acting upon delegation by the commission may, upon a determination that there is a need and with the written concurrence of the owner, extend the time to designate such item for no more than 12 additional months.

(3) The commission shall, after a public hearing, act to designate an item under consideration for designation as an historic district within 24 months after the date that the motion to calendar such item has been adopted by the commission. In the event the commission fails to designate the item within such 24 month period, the item shall be removed from the commission's calendar.

§ 2. This local law shall take effect immediately, provided, however, that for any item under consideration for designation as a landmark, interior landmark, scenic landmark or historic district for which
