## Be it enacted by the Council as follows:

Section 1. Subparagraph (b) of paragraph (1) of subdivision d of section 1049-a of the New York city

(b)(i) The form and wording of notices of violation shall be prescribed by the board. [The] <u>A</u> notice of

## File #: Int 0811-2015, Version: \*

(ii) An agency that issues a notice of violation that does not include information required for a valid notice of violation by rule of the environmental control board or office of administrative trials and hearings shall, where possible, within 30 days of issuing such notice, or prior to the hearing date for such notice, whichever is earlier, amend the notice of violation to include such information. When a notice of violation is amended pursuant to this clause, the amending agency shall serve the amended notice as provided in paragraph (2) of subdivision d of this section, and a new hearing date shall be assigned.

§ 2. This local law takes effect 180 days after it becomes law, except that the environmental control board and office of administrative trials and hearings may take any actions necessary for its implementation, including the promulgation of rules, before such effective date.
