Whereas, As of July 15<sup>th</sup>, 2015, MOCS' website includes the annual contracting plans of Mayoral agencies but there is no information on any of these entities; and

Whereas, Since these entities receive City funds and resources, they should be held to the same accountability and transparency standards as Mayoral agencies; and

Whereas, Monitoring the contracting practices of all City funded agencies is imperative to ensuring that taxpayer funds are used efficiently and appropriately; now, therefore, be it

Resolved, That the Council of the City of New York calls upon the State Legislature to pass and the Governor to sign legislation that would require entities that receive funds from the New York City treasury to submit to the Mayor's Office of Contract Services a plan detailing its anticipated contracting actions for the upcoming fiscal year.
