The department shall make publicly available on its website a list of each person who was a contractor on a housing development project where the developer of such project was selected on or after January 1, 2013, based on information reported to the department pursuant to section 26-903 of this chapter, and who:

a. has not, within the previous five years, been a contractor on a housing development project where the number of construction conditions substantiated by the department divided by the number of dwelling units in such project, or if such project has not been completed, the number of proposed dwelling units in such project, is equal to or greater than a threshold number established by department rule; and

b. has not, to the extent known to the department, based on information reported by the department pursuant to section 26-903 of this chapter that the department reasonably believes to be correct and complete, been subject to a judicial finding that such person violated section 220 of the New York state labor law or subchapter IV of chapter thirty-one of part A of subtitle II of title 40 of the United States code or any applicable regulations or rules, within the previous five years;
