Be it enacted by the Council as follows:

Section 1. Paragraph 1 of subdivision g of section 6-129 of the administrative code of the city of New York, as amended by local law number 1 for the year 2013, is amended to read as follows:

(1) Beginning May 15, 2006, and on [April 1] July 31 of each year thereafter, each agency which, during the fiscal year which ended on June 30 of the preceding fiscal year, has made procurements in excess of five million dollars, without counting procurements that are exempt pursuant to paragraph two of subdivision q of this section, shall submit an agency utilization plan for the fiscal year commencing in July of the year when such plan is to be submitted to the commissioner. Upon approval by the commissioner, such plan shall be submitted to the speaker of the council, and shall be published on the City's website. Each such plan shall, at a minimum, include the following:

(a) the agency's participation goals for MBEs, WBEs and EBEs for the year, provided however, that when setting its goals, each agency shall consider the citywide goals, the size and nature of its own procurement portfolio (excluding contracts described in paragraph two of subdivision q of this section), and the availability of MBEs, WBEs and EBEs with the capacity to perform the specific types and scale of work for which the agency anticipates it will solicit procurements during the year;

(b) An explanation for any agency goal that is different than the participation goal for the relevant group and industry classification as determined pursuant to subdivision d of this section;
