### Preconsidered Res. No. 1068

Resolution to establish that the interest rate be 18 percent per annum for Fiscal Year 2017 for non-payment of taxes on properties with an assessed value of over \$250,000, or over \$250,000 per residential unit for cooperative apartments.

By Council Member Ferreras-Copeland

Whereas, Pursuant to Section 11-224.1 of the Administrative Code of the City of New York, the Banking Commission is required to recommend to the City Council, not later than the 13th day of May of each year, the proposed interest rate to be charged for non-payment of taxes on properties with an assessed value of over \$250,000, or over \$250,000 per residential unit for cooperative apartments; and

Whereas, The Banking Commission is required to propose a rate of at least six percent per annum

greater than the prevailing interest rate charged for commercial loans extended to prime borrowers by commercial banks operating in the City (the “Prime Rate”); and

Whereas, The Banking Commission notes that as of May 10, 2016, the Prime Rate stands at three and one-half percent as published by the Board of Governors of the Federal Reserve System; and

Whereas, It is in the best interest of the City to encourage the prompt payment of taxes on real estate by all large taxpayers; and

Whereas, The Banking Commission forwarded its recommendation to the Council, by letter dated May 11, 2016, that the interest rate to be charged for non-payment of taxes on properties where the assessed value on a parcel is over \$250,000, or over \$250,000 per residential unit for cooperative apartments, be 18 percent per annum for Fiscal Year 2017; now, therefore, be it

Resolved, That the Council of the City of New York establishes that the interest rate be 18 percent per annum for Fiscal Year 2017 for non-payment of taxes on properties with an assessed value of over 250,000, or over \$250,000 per residential unit for cooperative apartments.
