Penalty mitigation program. The term “penalty mitigation program” means:

Retail establishment. The term “retail establishment” means an establishment, other than a food service establishment, that sells products and has a restroom.

§ 2. Within 2 years of the enactment of this section, the commissioner of sanitation shall:

and

c. Submit to the mayor and the council a report summarizing the results of the review, which shall include, if the review concluded that a penalty mitigation program is not feasible and appropriate, an explanation for such conclusion; and, if the review concluded that a penalty mitigation program is feasible and appropriate, an explanation for the exclusion of certain violations from the rule.

§ 3. Within 2 years of the enactment of this section, the commissioner of consumer affairs shall:

a. b. Promulgate a rule authorizing the waiver of civil penalties for such violations based on a food service establishment or retail establishment's participation in such penalty mitigation program, provided that the study required by subdivision a of this section has concluded that such a program is feasible and appropriate; and
