Int. No. 79

By Council Member Deutsch

A Local Law to amend the administrative code of the city of New York, in relation to requiring the consideration of community impact in applications for base stations, black car bases and luxury limousine bases

Be it enacted by the Council as follows:

Section 1. Chapter 5 of title 19 of the administrative code of the city of New York is amended by adding a new section 19-548 to read as follows:

§ 19-548 Base applications. In reviewing an application for a license to operate a base station, black car base or luxury limousine base, the commission shall examine and consider any negative impact such base may have on quality of life in the vicinity of such base, including, but not limited to, the potential impact on traffic congestion, sidewalk congestion and noise. In addition, the commission shall submit a copy of such application to the council member and the community board for the area in which such base station would be located

within five days of the receipt of such application and shall consider any comments received from such council member and community board during the commission's review of such an application.

§ 2. This local law takes effect 90 days after it becomes law.
