Int. No. 309

By Council Member Rodriguez

A Local Law in relation to requiring the mayor to develop a plan for mapping all existing underground infrastructure

Be it enacted by the Council as follows:

Section 1. By no later than March 31, 2019, the mayor shall prepare and file with the council, and make publicly available online, a plan for surveying and mapping all underground infrastructure in the city of New York, including but not limited to underground pipes, tunnels, tubes and wires. Such plan shall also include recommendations for allowing public and private entities to access and submit recommended changes to the map.

§ 2. This local law takes effect immediately after it becomes law.
