City Council

A Local Law to amend the administrative code of the City of New York, in relation to reducing the emissions that come from New York City-owned motor vehicles.

Be it enacted by the Council as follows:

Section 1. Chapter 2 of title 12 of the administrative code of the city of New York is amended by adding

section 12-208 to read as follows:

§ 12-208 City motor vehicle emissions reduction program. The department of citywide administrative services shall implement a pilot program on the use of low emission exhaust pipes. Such pilot program shall encompass twenty percent of all motor vehicles owned by the city of New York that are run not exclusively by electric power. Such agency shall provide a written report to the speaker of the council and post on its website not more than one year following commencement of such program. Such report shall include but not be limited to the cost of such pilot program and the emissions reduction from such program.
