§ 2. Chapter 1 of title 8 of the administrative code of the city of New York is amended to add a new section 8-133 to read as follows:

§ 8-133 Education and outreach regarding single-occupant toilet room requirements. The commission on human rights, in conjunction with the department of buildings, shall conduct outreach to the public at large regarding single-occupant toilet room requirements, which shall, at a minimum, include educational materials to inform transgender and gender non-conforming individuals of a building owner's required compliance with sections 403.2.1 and 403.4 of the New York city plumbing code and the violations and penalties that result from non-compliance with such sections. Such materials shall be available in the designated citywide languages as defined in section 23-1101 and shall include a statement that any non-compliance with such sections may be reported to 311 and shall be posted on the commission's website.

Such education and outreach shall be tailored to business owners, and shall, at a minimum, include educational materials concerning such single-occupant toilet room requirements and the related posting and signage requirements, including samples of acceptable signage. Such materials and sample signage shall be available in the designated citywide languages as defined in section 23-1101. Information concerning such requirements shall also be made available on the department's website.
