Int. No. 924

By Council Members Vallone, Ampry-Samuel, Chin, Holden and Brannan

A Local Law to amend the administrative code of the city of New York, in relation to the installation of speed humps on roadways adjacent to schools with at least 150 students

Be it enacted by the Council as follows:

Section 1. Subdivision a of section 19-189 of the administrative code of the city of New York, as added by local law number 115 for the year 2013, is amended to read as follows:

a. Definitions. For the purposes of this section, the following terms [shall be defined as follows] have the following meanings:

[1. "School" shall mean] School. The term "school" means any buildings, grounds, facilities, property, or portion thereof in which educational instruction is provided to at least [250] 150 students at or below the twelfth grade level.

[2. "Speed hump" shall mean] Speed hump. The term "speed hump" means any raised area in the roadway pavement surface extending transversely across the travel way that is composed of asphalt or another paving material and is installed and designed for the purpose of slowing vehicular traffic.

§2. This local law takes effect 180 days after enactment.
