OATH. The term “OATH” means the office of administrative trials and hearings.

State. The term “state” means the state of New York.

Summons. The term “summons” means a document, including a notice of violation, issued by any agency authorized to issue notices of violation returnable to the tribunal that specifies the charges forming the basis of an adjudicatory proceeding before the tribunal.

b. The tribunal shall dismiss a violation issued to a driver or an owner of a vehicle for failing to personally inspect and reasonably determine the good working order of the lights of such vehicle pursuant to subdivision b of section 80-22 of title 35 of the rules of the city of New York or any successor provision when: (i) such driver or owner corrects such violation not later than one-half hour after sunset on the first full business day after the date of the violation as specified on the summons, (ii) such driver or owner provides to the commission, on or before the return date of such summons, a copy of such summons, any of the forms of proof of such correction listed in subdivision c of this section and an affirmation under penalty of perjury that such

correction was made and (iii) the commission, upon inspection of such proof of correction, determines that such driver or owner corrected the violation and recommends that the tribunal dismiss the violation. Should the commission not recommend dismissal of such violation, such driver or owner may provide any of the forms of proof of correction described in subdivision c of this section at a hearing of the tribunal.

c. The following constitute proof of correction pursuant to subdivision b of this section:
