A Local Law to amend the administrative code of the city of New York, in relation to requiring the department of correction to post a quarterly report regarding the visitation of incarcerated individuals

Be it enacted by the Council as follows:

Section 1. Paragraph 3 of subdivision b of section 9-140 of the administrative code of the city of New York, as added by local law number 85 for the year 2015, is amended to read as follows:

3. The number of visitors unable to visit an inmate at any city jail, in total and disaggregated by the reason such visit was not completed. The department shall include a reason for the refusal of an incarcerated individual to accept visitors.

§ 2. Subdivision b of section 9-140 of the administrative code of the city of New York is amended by adding new paragraph 7 to read as follows:

7. The mean and median duration of visits to incarcerated individuals, in total and disaggregated by facility and by professional and non-professional visits.

§ 3. This local law takes effect immediately.
