No later than January 1, 2020, and no later than the first of the month for each calendar quarter thereafter, the department shall submit to the mayor and the speaker of the council, and make publicly available on the department's website, a report for the immediately prior calendar quarter of the number of objections to orders issued by the department pursuant to section 173.13(d)(2) of the health code or successor rule applicable thereto, disaggregated by the number of objections filed by a housing development operated by the New York city housing authority.
