2. Enhance the accessibility of city programs, benefits, and services to immigrants and speakers of languages other than English by establishing outreach programs in conjunction with other city agencies and the council to inform and educate immigrants and speakers of languages other than English of relevant city programs, benefits, and services.

3. Perform policy analysis and make recommendations concerning immigrant affairs.

4. Establish a state and federal affairs unit within the department to monitor and conduct analysis on state and federal laws, policies, enforcement tactics, and court decisions regarding issues relating to and impacting immigrant affairs, including potential strategies for addressing such developments.

5. Solicit community and stakeholder input regarding the activities of the department, including but not limited to the department's consultations with relevant agencies on implementation of sections of the charter and the administrative code that are relevant to immigrants.

4. Participate in interagency efforts, as appropriate, relating to the handling of confidential information about individuals held by city agencies and those contracting with city agencies.

5. Consult with and provide information and advice to relevant city agencies, in coordination, as appropriate, with the office to combat domestic violence, the office of criminal justice, and other agencies or offices as the mayor may designate, on addressing the unique needs of immigrant crime victims and witnesses, including agency standards and protocols for issuing law enforcement certifications required in order to apply for nonimmigrant status under subparagraphs (T) and (U) of paragraph (15) of subsection (a) of section 1101 of title 8 of the United States code, or successor statutes.

b. Any service provided by a city agency shall be made available to all immigrants who are otherwise eligible for such service to the same extent such service is made available to citizens unless such agency is required by law to deny eligibility for such service to immigrants.

c. All city agencies shall cooperate with the department and provide information and assistance as requested; provided, however, no information that is otherwise required to be provided pursuant to this section shall be disclosed in a manner that would violate any applicable provision of federal, state, or local law relating to the privacy of information or that would interfere with law enforcement investigations or otherwise conflict with the interests of law enforcement.
