b. Duties. Each monitoring committee shall review community concerns about such wastewater treatment plant, including the ongoing effects on the health and wellbeing of persons in the wastewater treatment plant's service area, anticipated effects on the community of any proposed or unforeseen changes to

the wastewater treatment plant's operations, and any other considerations any such monitoring committee deems relevant.

c. Membership. 1. Each monitoring committee shall be composed of the following members:

(a) Four members employed by such wastewater treatment plant to be appointed by an agreement of the community board(s) overseeing a district in the wastewater treatment plant's service area;

(c) The mayor shall invite the borough president(s) and council member(s) overseeing the wastewater treatment plant's service area to each appoint one representative to the committee.

2. Appointments required by this section shall be made within 30 days after the effective date of this local law, and within 30 days of the completion of a prior term.

4. All members of the committee shall serve without compensation.

5. No appointed member of the committee shall be removed except for cause by the appointing authority.

6. In the event of a vacancy on the committee during the term of an appointed member, a successor shall be selected in the same manner as the original appointment to serve the balance of the unexpired term.
