Int. No. 1820

By Council Members Levin and Kallos

A Local Law to amend the administrative code of the city of New York, in relation to enhancing civilian enforcement to mitigate construction dust emissions

Be it enacted by the Council as follows:

Section 1. Section 24-146 of the administrative code of the city of New York, as amended by local law number 38 for the year 2015, is amended by adding a new subdivision g to read as follows:

(g) On or before January 1, 2020, the department shall publish on its website information related to filing citizen complaints regarding violations of this section pursuant to section 24-182. Such information shall include but need not be limited to forms for filing complaints and guidance on procedures for filing such complaints including gathering supporting documentation. Such information shall also be provided on any website or mobile application used by the 311 customer service center for the intake of 311 requests from the public.
