Preconsidered Resolution No.

Resolution pursuant to Section 19-511.1 of the Administrative Code of the City of New York to review sixty-four determinations by the Taxi and Limousine Commission to approve applications for the renewal of a license to operate a base station and to review eight determinations by the Taxi and Limousine Commission to approve applications for a license to operate a new base station.

By Council Member Dear

Whereas, Subdivision (g) of section 19-511 of the Administrative Code of the City of New York provides that upon receiving an application for the issuance of a license for a new base station or for the renewal of a license for a base station, the Taxi and Limousine Commission (TLC) shall, within five business days, submit a copy of such application to the Council and to the district office of the Council Member and the Community Board for the area in which the base station is or would be located; and,

Whereas, Section 19-511.1 of the Administrative Code provides that any determination by TLC to approve an application for a license to operate a new base station or to renew a license to operate a base station shall be subject to review by the Council; and,

Whereas, Within ninety days of the first Stated Meeting following receipt of such determination and its accompanying materials, the Council may approve or disapprove such determination by local law, after having adopted a resolution to review that determination; and,

Whereas, Should the Council not timely adopt a resolution to review the TLC's determination or, having done so, not timely pass a local law with respect to such determination, the approval by TLC of an application to operate a new base station or for renewal of a license to operate a base station shall remain in effect; and,
