By Council Members Eisland and Linares

WHEREAS, the City Planning Commission filed with the Council on June 5, 2000 its decision dated May 31, 2000 (the "Decision"), on the application submitted by the Department of Housing Preservation and Development pursuant to Section 197-c of the New York City Charter and Article 16 of the General Municipal Law of New York State regarding:

a) the designation of 68, 70, 72, 76 and 78 Troutman Street and 176, 178, 180, 186, 190 and 192 Evergreen Avenue (Block 3183, Lots 33-36, 38-43 and 45), as an Urban Development Action Area (the "Area");

b) an Urban Development Action Area Project for such area (the "Project"); and

pursuant to Section 197-c of the New York City Charter for the disposition of such property to a sponsor/developer selected by the Department of Housing Preservation and Development (the "Disposition") (ULURP No. C 000290 HAK) (the "Application");

WHEREAS, the New York City Department of Housing Preservation and Development ("HPD") submitted to the Council its recommendations regarding the Application on June 2, 2000;

WHEREAS, upon due notice, the Council held a public hearing on the Application and Decision on June 20, 2000;

WHEREAS, the Council has considered the relevant environmental review (CEQR No. 90-038K) and the fact that a modified Conditional Negative Declaration was issued on February 23, 1999;

WHEREAS, the Council has considered the land use and financial implications and other policy issues relating to the Application;

RESOLVED:

The Council finds that the actions described herein will have no significant effect on the environment; subject to the following condition that a minimum of 25 db(A) window-wall attenuation should be provided for all residential units, so that with windows closed and an alternate means of ventilation, the internal noise level does not exceed 45 db(A);

Pursuant to Section 197-d, the Council approves the decision of the City Planning Commission (C 000290 HAK).

The Council finds that the present status of the Disposition Area tends to impair or arrest the sound growth and development of the City of New York and that a designation of the Project as an urban development action area project is consistent with the policy and purposes stated in Section 691 of the General Municipal Law.

The Council approves the designation of the Disposition Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.

The Council approves the disposition of said property to a sponsor/developer selected by the Department of Housing Preservation and Development.

Adopted.
