A Local Law to amend the charter of the city of New York, in relation to small purchase reporting requirements.

Be it enacted by the Council as follows:

Section 1. Section 314 of the charter of the city of New York, as repealed and reenacted by local law number 24 of 1995, is hereby amended to read as follows:

§314. Small purchases. a. Notwithstanding any other provision of this charter, the procurement policy board and the council may, by concurrent action, establish dollar limits for procurement of goods, services, construction, or construction-related services that may be made without competition or without public advertisement. Awards pursuant to this section shall be made in accordance with rules of the procurement policy board.

b. On or before September thirtieth, two thousand and three, and on or before the last day of every quarter thereafter, the mayor or his or her designee shall submit to the council and the comptroller a report detailing each small purchase award made pursuant to this section during the quarter that ended three months before such report is due and for which information is required to be contained in the computerized data base maintained pursuant to subdivision a of section 6-116.2 of the administrative code. Such report shall provide the name of the vendor selected to fulfill the requirements of each such small purchase award, the date and dollar amount of each such small purchase award and the type of goods or services provided.

§2. This local law shall take effect immediately.
