A Local Law to amend the administrative code of the city of New York in relation to requiring that commercial vehicles have stickers that list a toll-free telephone number to report complaints

Be it enacted by the Council as follows:

Section 1. Section 10-127 of the administrative code of the city of New York is amended by relettering existing subdivision c as subdivision d and by adding a new subdivision c to read as follows:

c. Every commercial vehicle operating on the streets of the city shall at all times have a sticker on each side and on the back of the vehicle which shall display the words AHow Am I Driving?@ and a toll-free telephone number which is dedicated for members of the public to call if they wish to register a complaint. It shall be an affirmative defense to any violation issued pursuant to this subdivision that one or more of the stickers were removed without the knowledge of the driver and/or company or individual to which the vehicle is registered or owned after the vehicle was dispatched onto the road.

§2. This local law shall take effect thirty days after enactment.
