File #:	Res 0913-2003	Version:	*	Name:	Federal Communications Commission not to weaken any current media ownership rules that protect people's access to diverse services and information.
Type:	Resolution	Status:		In control:	Filed Committee on State and Federal Legislation
On agenda:	5/28/2003				
Enactment date:		Enactment #:			
Title:	Resolution calling upon the Federal Communications Commission not to weaken any current media ownership rules that protect people's access to diverse services and information; examine and better inform the general public regarding the consequences of weakening current media ownership rules, particularly the increased level of media consolidation and concentration that will likely occur; and to delay its upcoming June 2nd vote on proposed changes to current media ownership rules and to allow for extensive public review and additional comment before issuing a final rule.
