A Local Law to amend the New York City Administrative Code, in relation to creating a Referenda Finance Program within the current Campaign Finance Program.

Be it enacted by the Council as follows:

Section 1. Section 3-702 of the Administrative Code of the City of New York is amended by adding new subdivisions 13 and 14, to read as follows:

13. The term “ballot proposal election” shall mean an election in which a proposal is submitted to the electors pursuant to subdivision five of section 36, or pursuant to section 37, of the municipal home rule law, or subdivision two of section 40 of the charter.

14. The term “ballot proposal committee” shall mean a political committee which makes expenditures in support of or in opposition to a ballot proposal submitted to the electors pursuant to subdivision five of section 36, or pursuant to section 37, of the municipal home rule law, or subdivision two of section 40 of the charter.

§ 2. Subdivision 1 of section 3-703 of the administrative code of the city of New York is amended to read as follows:

§ 3-703 **Eligibility and other requirements.** 1. To be eligible for optional public financing under this chapter, a candidate for nomination for election or election, or a ballot proposal committee, must:

- (a) for a candidate, meet all the requirements of law to have his or her name on the ballot;
- (b) be a candidate for mayor, public advocate, comptroller, borough president or member of the city council in a primary, special, or general election, or a ballot proposal committee, and meet the threshold for eligibility set forth in subdivision two of this section;
- (c) choose to participate in the public funding provisions of this chapter, by filing a written certification in such form as may be prescribed by the campaign finance board, which sets forth [his or her] an acceptance of and agreement to comply with the terms and conditions for the provision of such funds. The deadline for filing such certification for a candidate for a primary and general election shall be:

- (i) the first day of June in the year of the covered election, or such other later date as the board shall provide; or

- (ii) the thirtieth day after a special election is held to fill a vacancy for the office sought by the candidate;

whichever is later. The deadline for filing such certification for a special election to fill a vacancy shall be on the seventh day after the proclamation of such special election. The deadline for filing such certification for a ballot proposal committee shall be on the seventh day after the city clerk has certified a ballot proposal question for the upcoming general election. A certification may be filed on or before

the seventh day after the occurrence of an extraordinary circumstance in an election, as declared by the campaign finance board, following the receipt and review of a petition submitted by a candidate in such election. For purposes of this paragraph, an “extraordinary circumstance” shall include the death of a candidate in the election, the resignation or removal of the person holding the office sought, and the submission to the board of a written declaration by an officeholder that terminates his or her campaign for reelection;

(d) obtain and furnish to the campaign finance board any information it may request relating to [his or her] campaign expenditures or contributions and furnish such documentation and other proof of compliance with this chapter as may be requested by such board;

(e) for a candidate, notify the board in the candidate’s written certification as to: (i) the existence of each authorized committee authorized by such candidate that has not been terminated, (ii) whether any such committee also has been authorized by any other candidate, and (iii) if the candidate has authorized more than one authorized committee, which authorized committee has been designated by the candidate as the candidate’s principal committee for the election(s) covered by the candidate’s certification; provided, that such principal committee (i) shall be the only committee authorized by such candidate to aid or otherwise take part in the election(s) covered by the candidate’s certification, (ii) shall not be an authorized committee of any other candidate, and (iii) shall not have been authorized or otherwise active for any election prior to the election(s) covered by the candidate’s certification. The use of an entity other than the designated principal committee to aid or otherwise take part in the election(s) covered by the candidate’s certification shall be a violation of this section and shall trigger the application to such entity of all provisions of this chapter governing principal committees;

(f) not accept, and [his or her] a candidate’s principal committee must not accept, either directly or by transfer, any contribution or contributions from any one individual, partnership, political committee, employee organization or other entity for (A) all covered elections held in the same calendar year in which [he or she] a

candidate is a participating candidate which in the aggregate: (i) for the office of mayor, public advocate or comptroller shall exceed four thousand five hundred dollars, or (ii) for borough president, shall exceed three thousand five hundred dollars, or (iii) for member of the city council, shall exceed two thousand five hundred dollars; provided that a candidate and his or her principal committee may accept additional contributions which do not exceed one half the amount of the applicable limitation for any run-off primary election, additional day for voting held pursuant to section 3-108 of the New York state election law, special election to fill a vacancy, run-off special election to fill a vacancy, delayed or otherwise postponed election, or election held pursuant to court order which is a covered election and in which the candidate seeks nomination for election or election or (B) a ballot proposal election in which a ballot proposal committee files a written certification pursuant to paragraph (c) of this subdivision which in the aggregate shall not exceed the limit for mayor set pursuant to this paragraph. [; and provided further that if] If state law prescribes a contribution limitation of a lesser amount, this paragraph shall not be deemed to authorize acceptance of a contribution in excess of such lesser amount. The maximum contributions set forth in this paragraph shall be adjusted in accordance with subdivision seven of this section;

(g) maintain such records of receipts and expenditures for a covered election or ballot proposal election as required by the board;

(h) for a candidate, not make expenditures from or use his or her personal funds or property or the personal funds or property jointly held with his or her spouse, domestic partner, or unemancipated children in connection with his or her nomination for election or election except as a contribution to his or her principal committee in an amount that does not exceed three times the maximum contribution amount applicable pursuant to paragraph (f) of this subdivision. Such candidate shall not make expenditures from or use other personal funds or property of his or her spouse, domestic partner or unemancipated children in connection with his or her nomination for election or election; provided that this paragraph shall not be construed to limit contributions by persons other than the candidate;

(i) not make, and [his or her] a candidate's principal committee must not make, expenditures which in the aggregate exceed the applicable expenditure limitations set forth in section 3-706;

(k) not accept, and [his or her] a candidate's principal committee must not accept, either directly or by transfer, any contribution, loan, guarantee, or other security for such loan from any political committee for all covered elections held in the same calendar year in which [he or she] such candidate is a participating candidate or a ballot proposal election, except as is otherwise provided for contributions by political committees pursuant to section 3-707 of this chapter; and

(l) not accept, and [his or her] a candidate's principal committee must not accept, either directly or by transfer, any contribution, loan, guarantee, or other security for such loan from any corporation, other than a corporation that is a political committee as defined in subdivision eleven of section 3-702 of this chapter, for all covered elections held in the same calendar year in which [he or she] such candidate is a participating candidate or a ballot proposal election.

(m) for a ballot proposal committee, not coordinate expenditures with any other political committee. For this chapter, "coordinated expenditures" shall mean expenditures made in cooperation, consultation or concert with, or at the request or suggestion of, any other political committee or candidate. Furthermore, ballot proposal committees shall not coordinate expenditures with any person that shall violate the contribution and expenditure limits of this chapter. Such coordinated expenditures shall be deemed in-kind contributions to and expenditures by such ballot proposal committee subject to such limits. The board shall promulgate rules further defining coordinated expenditures. The rules shall not require agreement or formal collaboration to establish coordination. In addition to any subject determined by the board, the rules shall address:

- (i) expenditures for the republication of campaign materials;
- (ii) expenditures for the use of a common vendor;
- (iii) expenditures for communications directed or made by persons who previously served as an employee of a candidate or a political committee;

(iv) expenditures for communications made by a person after substantial discussion about the communication with a candidate or a political committee; and

(v) the sharing of information not publicly available.

(n) for a ballot proposal committee, not make expenditures promoting the candidacy of any candidate.

§3. Subdivision 2 of section 3-703 of the administrative code of the city of New York is amended to read as follows:

(iv) member of the city council, not less than five thousand dollars in matchable contributions including at least fifty matchable contributions of ten dollars or more from residents of the district in which the seat is to be filled, except that in regularly scheduled city council elections held in the year two thousand three at least seventy-five matchable contributions of ten dollars or more shall be required from residents of the borough or boroughs in which such council district is located.

(b) Any participating candidate meeting the threshold for eligibility in a primary election for one of the foregoing offices shall be deemed to have met the threshold for eligibility for such office in any other election,

other than a special election to fill a vacancy, held in the same calendar year.

(B) for a different covered election, other than a special election to fill a vacancy, held later in the same calendar year in which the candidate seeks election for the same office; provided, however, that public funds originally received for a special election to fill a vacancy may not be retained for expenditure in any other election;

(ii) any expenditure made after the only remaining opponent of the candidate has been finally disqualified or had his or her petitions finally declared invalid by the New York city board of elections or a court of competent jurisdiction, except that such expenditures may be made for a different covered election, other than a special election to fill a vacancy, held later in the same calendar year in which the candidate seeks election for the same office; provided, however, that public funds originally received for a special election to fill a vacancy may not be retained for expenditure in any other election;
