Int. No. 597

By Council Members Sanders, Comrie, Seabrook and Weprin (by request of the Mayor)

A Local Law to amend the administrative code of the city of New York, in relation to authorizing an application to revise the boundaries of the East Harlem empire zone.

Be it enacted by the Council as follows:

Section 1. By Local Law No. 8 for the year 1987, adopted on March 5, 1987, the council of the city of New York authorized an application for the designation of the East Harlem economic development zone relative to certain land within New York County.

§ 2. The city of New York has received economic development zone approval from New York state.

§ 3. By Local Law No. 57 for the year 1988, adopted on August 19, 1988, the boundaries of the East Harlem economic development zone were amended.

§ 4. It is the desire of the council of the city of New York to authorize an application to revise the East Harlem economic development zone, now called the East Harlem empire zone, to include 717 acres located in New York County in the city of New York.

§ 5. The city of New York is hereby authorized to submit an application to revise the East Harlem empire zone to include the property described in section six of this local law.

§ 6. The boundaries of the East Harlem empire zone, as described in subdivision a of section 22-703 of the administrative code of the city of New York, shall be expanded to include the properties generally described as follows:

(1) BEGINNING at the point of intersection point of the center line of East 132nd Street and a point 100 feet west to the west of the southbound roadway of Park Avenue as measured from its westerly street line; thence westerly along the center line of East 132nd Street to the point where it meets the westerly side of Madison Avenue; thence southerly along the westerly side of Madison Avenue to the point where it meets the southerly side of East 126th Street; thence westerly along the southerly side of East 126th Street to the point where it meets the center line of Fifth Avenue; thence southerly along the center line of Fifth Avenue to the point where it meets the center line of East 124th Street; thence easterly along the center line of East 124th Street to the point where it meets the westerly side of Madison Avenue; thence southerly along the westerly side of Madison Avenue to the point where it meets the center line of East 120th Street; thence westerly along the center line of East 120th Street to the point where it meets the center line of Fifth Avenue; thence southerly along the center line of Fifth Avenue to the point where it meets the center line of East 115th Street; thence easterly along the center line of East 115th Street to the point where it meets the westerly side of Madison Avenue; thence southerly along the westerly side of Madison Avenue to the point where it meets the southerly

side of East 112th Street; thence westerly along the southerly side of East 112th Street to the point where it meets the center line of Fifth Avenue; thence southerly along the center line of Fifth Avenue to the point where it meets the center line of East 102nd Street; thence easterly along the center line of East 102nd Street to the point where it meets the westerly side of Lexington Avenue; thence southerly along the westerly side of Lexington Avenue to the point where it meets the center line of East 96th Street; thence easterly along the center line of East 96th Street to the point where it meets the easterly side of the U.S. pierhead line as it appears on Sheet 6b of the Zoning Map of the New York City Planning Commission as amended effective December eleventh, two thousand one; thence northerly along the U.S. pierhead line to the point where it meets the center line of East 111th Street; thence westerly along the center line of East 111th Street to a point where it meets the center line of a street named “A New Street”; thence southerly along the center line of “A New Street” to the point where it meets the center line of East 110th Street; thence easterly along the center line of East 110th Street to the point where it meets the center line of First Avenue; thence southerly along the center line of First Avenue to the point where it meets the center line of the block bounded on the north by East 110th Street and on the south by East 109th Street, said line being the district boundary line between the M1-4 and R7-2 zoning districts as it appears on Sheet 6b as described aforesaid; thence westerly along the center line of such block to a point located 100 feet to the east of Second Avenue as measured by its easterly street side; thence northerly along a line 100 feet to the east of Second Avenue and running parallel thereto to the point where it meets the center line of East 111th Street, said line being the district boundary line between the M1-4 and R7-2 zoning districts as it appears on Sheet 6b as described aforesaid; thence easterly along the center line of East 111th Street to the point where it meets the center line of First Avenue; thence northerly along the center line of First Avenue to the point where it meets the center line of East 114th Street; thence easterly along the center line of East 114th Street to the point where it meets the U.S. pierhead line as it appears on Sheet 6b as described aforesaid; thence northerly along the U.S. pierhead line to the point where it meets the center line of East 116th Street; thence westerly along the center line of East 116th Street to a point located 250 feet to the east of Pleasant Avenue as

measured from its easterly street line; thence northerly along a line 250 feet to the east of Pleasant Avenue and running parallel thereto to the point where it meets the center line of East 119th Street; thence easterly along the center line of East 119th Street to the point where it meets the U.S. pierhead line as it appears on Sheet 6b as described aforesaid; thence northerly along the U.S. pierhead line to the point where it meets the center line of East 121st Street, if the center line of East 121st Street were to be extended easterly to the U.S. pierhead; thence westerly along the center line of East 121st Street, if said line were to extend to the U.S. pierhead, to a point where it meets the center line of First Avenue; thence northerly along the center line of First Avenue to the point where it meets the center line of East 124th Street; thence westerly along the center line of East 124th Street to a point located 100 feet to the east of Third Avenue as measured from its easterly street line; thence southerly along a line located 100 feet to the east of Third Avenue and running parallel thereto to the point where it meets the center line of East 123rd Street; thence westerly along the center line of East 123rd Street to a point where it meets a point located 100 feet to the west of Third Avenue as measured from its westerly street line; thence northerly along a line 100 feet to the west of Third Avenue and running parallel thereto to a point where it meets the center line of East 124th Street; thence westerly along the center line of East 124th Street to a point located 100 feet to the east of the northbound roadway of Park Avenue as measured from its easterly street line; thence southerly along a line 100 feet to the east of the northbound roadway of Park Avenue and running parallel thereto to the point where it meets the center line of East 116th Street; thence westerly along the center line of East 116th Street to a point located 100 feet to the east of the southbound roadway of Park Avenue as measured from its easterly street line; thence northerly along a line 100 feet to the east of the southbound roadway of Park Avenue and running parallel thereto to the point where it meets the center line of the block bounded on the north by East 125th Street and on the south by East 124th Street; thence westerly along the center line of such block to the point where it meets the center line of Madison Avenue; thence northerly along the center line of Madison Avenue to the center line of East 126th Street; thence easterly along the center line of East 126th Street to a point located 100 feet to the west of the southbound roadway of Park Avenue as measured
