RESOLVED:

Having considered the FEIS, with respect to the Application, the Council finds that:

- (1) the FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
- (2) consistent with social, economic and other essential considerations, from among the reasonable alternatives, the proposed action is the one which minimizes or avoids adverse environmental effects to the maximum extent practicable, including the effects disclosed in the FEIS; and
- (3) consistent with social, economic and other essential considerations, to the maximum extent practicable, adverse environmental effects revealed in the environmental impact statement will be minimized or avoided by incorporating as conditions to the approval those mitigative measures which were identified as practicable; and

The Decision and the FEIS constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of this determination, pursuant to 6 N.Y.C.R.R. §617.9(c)(3).

Pursuant to Section 197-d, the Council approves the decision of the City Planning Commission (C 030533 HAX).

The Council approves the designation of the Disposition Area as an urban development action area pursuant to Section 693 of the General Municipal Law.

The Council approves the Project as an urban development action area project pursuant to Section 694 of the General Municipal Law.
