Int. No. 196

By Council Members Lopez, Gonzalez, Palma, Martinez and Monserrate

A Local Law to amend the New York City Charter, in relation to establishing the New York City Council Independent Office of Workplace Integrity.

Be it enacted by the Council as follows:

Section 1. Chapter 2 of the New York City Charter is hereby amended by adding a new section 47.1, to read as follows:

§47.1. **Legislative intent.** It is in the interests of the people of the City of New York and its legislature, the New York City Council, that the investigation of complaints concerning workplace integrity be made in a thorough and impartial manner by an office located within the Council, but not subject to political pressures. It is for this reason that this office must be codified. These investigations must be conducted fairly and independently, and in a manner in which the Council and its Members and employees have confidence. It is equally important that the Council, its Members and employees have an office within the Council where they

may go to seek advice regarding ethics and fair employment practices, the two pillars of workplace integrity.

1. Definitions. As used in this section,

(a) The term “associated with the council” means any person who has an employment relationship with the council, paid or unpaid, and includes council members, their staffs, central staff, interns, and contractual employees and consultants.

(b) The term “business dealings with the council” means any transaction with the council including lobbying, funding of any grants, programs, or any other services which has been paid in whole or in part from council funds, appearing before the council or any of its committees, or any interaction of a professional nature with any person associated with the council.

(c) The term “central staff” means those persons employed by the council who work in council divisions and offices and do not serve an individual council Member as does council members staffs.

(d) The term “hiring authority” means the council member who hires the person employed by the council. The hiring authority for the central staff of the council is the speaker of the council.

(e) The term “office” means the new york city council independent office of workplace integrity created by this section.

3. There is hereby created the new york city council independent office of workplace integrity. This office shall have jurisdiction over all persons associated with the council.

4. Functions. The functions of the office shall be:

- a. To provide an independent, secure channel for disclosure and resolution of wrongdoing within its mandate;
- b. To promote greater understanding of the rights and responsibilities of persons associated with the council through a mandated program of education and training;
- c. To foster mutual understanding and respect among all persons associated with the council;

 - f. To be an independent office, with full authority to investigate and remediate any violation of laws within the council pursuant to its mandate; and

When penalties, corrective, remedial or disciplinary measures are recommended, the hiring authority shall report to the office what action was taken, which report shall be made public by the office. If the hiring authority refuses to report to the office or refuses to take action, then the office's report and the hiring authority's refusal to take action shall be made public.
