Res. No. 1147

Resolution determining that Proposed Int. No. 324-A, a Local Law to amend the New York city charter, in relation to green building standards for certain capital projects, will not have a significant adverse impact on the environment.

By The Speaker (Council Member Miller) and Council Members Gennaro, Gentile, Gerson, Gonzalez, Nelson, Sanders Jr., Vann and Weprin

Whereas, Pursuant to the New York State Environmental Quality Review Act (Article 8 of the New York State Environmental Conservation Law) and regulations promulgated thereunder in 6 NYCRR Part 617 and in accordance with Executive Order No. 91 of August 24, 1977, as modified by the Rules of Procedure for City Environmental Quality Review (62 RCNY § 5-01, *et seq.*), the Council has evaluated the appropriate criteria to determine the environmental significance of Proposed Int. 324-A, which is a local law to amend the

New York city charter, in relation to green building standards for certain capital projects; and

Whereas, The attached Environmental Assessment Statement, including the attached Environmental Assessment Analysis of Int. No. 324-A, and Negative Declaration represent the findings and conclusions of the Council; now, therefore, be it

Resolved, That the Council of the City of New York hereby determines that the enactment of Proposed Int. 324-A, will not have a significant adverse impact on the environment.
