Int. No. 603-A

By Council Members Reyna, White Jr., Yassky, Dilan, James, Martinez and Palma

A Local Law to amend the administrative code of the city of New York, in relation to authorizing an application for technical corrections to the boundaries of the brooklyn navy yard/north brooklyn empire zone within the city of New York.

Be it enacted by the Council as follows:

Section 1. (a) By Local Law No. 92 for the year 1997, the council of the city of New York authorized an application for the designation of the Brooklyn Navy Yard/North Brooklyn economic development zone relative to certain land within the borough of Brooklyn.

(b) The city of New York received approval from New York state of that economic development zone designation.

(c) Pursuant to section 15 of part GG of chapter 63 of the laws of 2000, the Brooklyn Navy Yard/North Brooklyn economic development zone is now known as the Brooklyn Navy Yard/North Brooklyn empire zone.

(d) Pursuant to subdivision d of section 957 of the General Municipal Law, certain empire zones referred to as “investment zones”, including the Brooklyn Navy Yard/North Brooklyn empire zone, had to be configured into up to three distinct and separate contiguous areas. Pursuant to subdivision a-3 of section 960 of the General Municipal Law, the initial distinct and separate contiguous areas had to be approved by the empire zones designation board. An application for redesignation of such areas as an empire zone had to be submitted in accordance with section 961 of the General Municipal Law.

(e) The Brooklyn Navy Yard/North Brooklyn empire zone was configured into three distinct and separate contiguous areas. Accordingly, the city of New York was authorized to submit an application for redesignation of such areas within the borough of Brooklyn as the Brooklyn Navy Yard/North Brooklyn empire zone. Such areas were described by block and lot in subdivision e of section 22-713 of the administrative code of the city of New York, as added by section eighteen of Local Law No. 45 for the year 2006.

(f) By Local Law No. 45 for the year 2006, which became effective on November 9, 2006, the council of the city of New York authorized an application for the redesignation of the Brooklyn Navy Yard/North Brooklyn empire zone consistent with that reconfiguration as described in subdivision e of section one of this local law, such application was submitted to the New York state commissioner of economic development for ultimate approval by the empire zones designation board and the city of New York received approval from New York state for that redesignation.

(g) There were certain parcels of land that had been included within the Brooklyn Navy Yard/North Brooklyn Economic Development Zone and the Brooklyn Navy Yard/North Brooklyn Empire Zone that were intended to be included within the area for which an application for redesignation was authorized by Local Law No. 45 for the year 2006, but which were inadvertently omitted from such local law. The city of New York is authorized to submit an application for a technical correction of the boundary description of the Brooklyn Navy Yard/North Brooklyn empire zone to include those parcels of land inadvertently omitted and shall be described by block and lot in and be added to subdivision e of section 22-713 of the administrative code of the city of New York, as added by section eighteen of Local Law No. 45 for the year 2006. Such application for this technical correction shall be submitted to the New York state commissioner of economic development for ultimate approval by the empire zones designation board.

§2. Subdivision e of section 22-713 of the administrative code of the city of New York, as added by local law number 45 for the year 2006, is amended to read as follows:
