- (3) The adverse environmental impacts disclosed in the FGEIS will be minimized or avoided to the maximum extent practicable by incorporating as conditions to the approval, those mitigative measures that were identified as practicable; and
- (4) The Decision and the FGEIS constitute the written statement of facts, and of social, economic and other factors and standards, that form the basis of this determination, pursuant to 6 N.Y.C.R.R. §617.11(d).
