Res. No. 431

Resolution pursuant to Section 19-511.1 of the Administrative Code of the City of New York to review two new applications and 58 applications for renewal of a license to operate a base station, which applications were approved by the Taxi and Limousine Commission.

By Council Members Liu, Comrie and Seabrook

Whereas, Subdivision (g) of section 19-511 of the Administrative Code of the City of New York provides that upon receiving an application for the issuance of a license for a new base station or for the renewal of a license for a base station, the Taxi and Limousine Commission (TLC) shall, within five business days, submit a copy of such application to the Council and to the district office of the Council member and the Community Board for the area in which the base station is or would be located; and

Whereas, Section 19-511.1 of the Administrative Code provides that any determination by TLC to approve an application for a license to operate a new base station or to renew a license to operate a base station shall be subject to review by the Council; and

Whereas, Within ninety days of the First Stated Meeting following receipt of such determination and its accompanying materials, the Council may approve or disapprove such determination by local law, after having adopted a resolution to review that determination; and

Whereas, Should the Council not timely adopt a resolution to review the TLC's determination or, having done so, not timely pass a local law with respect to such determination, the approval by TLC of an application to operate a base station shall remain in effect; and

Whereas, A determination by the Taxi and Limousine Commission to approve a new application or an application for renewal of the following base station licenses were submitted to the Council on May 15, 2006: 7 Ocean Inc., 910 Car Service Inc., A & R Golden Express, America United Multiplex Car Service Corp., B.A.L.
