Be it enacted by the Council as follows:

Section 1. Section 18-154 of the administrative code of the city of New York is amended by adding new subdivisions a-1 and a-2 to read as follows:

a-1. During the 2020 bathing season, the commissioner shall open beaches to the public, including for bathing, in accordance with the New York state department of health’s interim guidance for beach activities during the COVID-19 public health emergency for lake and ocean beaches, and with any additional precautions or restrictions provided by the department of health and mental hygiene.

a-2. During the 2020 bathing season, the commissioner, in consultation with the commissioner of health and mental hygiene, shall publish on the department's website and regularly update, as necessary and practicable, recommendations and guidelines to protect against the spread of COVID-19 while beaches are in operation.

§ 2. Subdivision b of section 18-154 of the administrative code of the city of New York, as added by local law number 181 for the year 2017, is amended to read as follows:

b. Notwithstanding [subdivision] subdivisions a, a-1 and a-2 of this section, the commissioner may limit the bathing season for extreme weather conditions, staffing level requirements for beaches or particular facilities, and the safety of the public.
