A Local Law in relation to the establishment of a plan for COVID-19 vaccination of homebound seniors, reporting on such plan, and providing for the repeal of such provisions upon the expiration thereof

Be it enacted by the Council as follows:

Section 1. a. Definitions. For purposes of this local law, the term “COVID-19” means the 2019 novel coronavirus or 2019-nCoV.

b. The commissioner of health and mental hygiene, or other entity as designated by the mayor, shall establish a plan to vaccinate homebound seniors for COVID-19. Such plan shall be published on the website of the department of health and mental hygiene and provided to the speaker of the council no later than 30 days after the effective date of this local law.

c. No less frequently than once every 2 months after the plan is provided to the speaker of the council in accordance with subdivision b, the commissioner of health and mental hygiene shall provide a report to the speaker of the council on the implementation of such plan. Such report shall include a description of the vaccination efforts specifically serving homebound seniors, the number of doses administered and the total number of homebound seniors fully vaccinated through those efforts, disaggregated by zip code, and any obstacles to implementation of such plan.
