The data included in such database shall be available in a format that permits automated processing and is downloadable, and shall be available without any registration requirement, license requirement or restrictions on their use, provided that the city may require a third party providing to the public any data from such database, or any application utilizing such data, to explicitly identify the source and version of the data, and a description of any modifications made to such data. The database shall include but not be limited to the following information, which shall, to the extent practicable, be disaggregated by federal, state and local COVID-19 funds, and, for federal funds, by the source of such funds, including, where identifiable, the specific act of congress appropriating such funds:
