THE COUNCIL OF THE CITY OF NEW YORK RESOLUTION NO. 1890

Resolution approving with modifications the decision of the City Planning Commission on Application No. N 210423 ZRM, for an amendment of the text of the Zoning Resolution (L.U. No. 919).

By Council Members Salamanca and Moya

WHEREAS, New York City Department of City Planning, filed an application pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, establishing the Special SoHo-NoHo Mixed Use District (Article XIV, Chapter 3) and modifying APPENDIX F for the purpose of establishing a Mandatory Inclusionary Housing area, and modifying related Sections, which in conjunction with the related action would facilitate land use changes for a 56-block area to implement the SoHo/NoHo Neighborhood Plan in Manhattan, Community District 2 (Application No. N 210423 ZRM) (the “Application”);

WHEREAS, the City Planning Commission filed with the Council on October 22, 2021, its decision dated October 20, 2021 (the “Decision”), on the Application;

WHEREAS, the Application is related to application C 210422 ZMM (L.U. No. 918), a zoning map amendment to change M1-5A and M1-5B districts to M1-5/R7X, M1-5/R9X, M1-6/R10 districts and establish

the Special SoHo-NoHo Mixed Use District;

WHEREAS, the Decision is subject to review and action by the Council pursuant to Section 197-d of the City Charter;

WHEREAS, upon due notice, the Council held a public hearing on the Decision and Application on November 9, 2021;

WHEREAS, the Council has considered the land use implications and other policy issues relating to the Decision and Application; and

WHEREAS, the Council has considered the relevant environmental issues, including the Positive Declaration issued October 28, 2020 (CEQR No. 21DCP059M). Significant adverse impacts related to hazardous materials, air quality and noise would be avoided through the placement of (E) designations (E-619) on selected projected and potential development sites as specified in Chapters 10, 15 and 17, respectively of the Final Environmental Impact Statement (FEIS). The FEIS determined that the proposed actions would have identified significant adverse impacts, which along with proposed mitigation measures, are summarized in Chapter 21, "Mitigation" of the FEIS. The Council has also considered the Technical Memorandum dated ____;

RESOLVED:

Having considered the FEIS and Technical Memorandum with respect to the Decision and Application, the Council finds that:

1. The FEIS meets the requirements of 6 N.Y.C.R.R. Part 617;
2. The environmental impacts disclosed in the FEIS were evaluated in relation to the social, economic, and other considerations associated with the actions that are set forth in this report; and
3. Consistent with social, economic, and other essential considerations from among the reasonable alternatives available, the action is one which avoids or minimizes adverse environmental impacts to the maximum extent practicable; and

The Decision, together with the FEIS and Technical Memorandum constitute the written statement of facts, and of social, economic and other factors and standards that form the basis of this determination, pursuant to 6 N.Y.C.R.R. §617.11(d).

Pursuant to Sections 197-d and 200 of the City Charter and on the basis of the Decision and Application, and based on the environmental determination and consideration described in the report, N 210423 ZRM, incorporated by reference herein, and the record before the Council, the Council approves the Decision of the City Planning Commission with the following modifications:

Modification of Affordable Housing Fund payment options in the SoHo NoHo Mixed Use District

Within the #Special SoHo-NoHo Mixed Use District#, for #conversions# from non-#residential# to #residential use# in #buildings# existing prior to [date of adoption] that are not otherwise subject to paragraph (d)(3)(v) of Section 23-154 (Inclusionary Housing), the Board of Standards and Appeals may permit a contribution to the #affordable housing fund# pursuant to such paragraph to satisfy the requirements of paragraph (d)(3), inclusive, of such Section, provided that the Board finds that:

- (a) the configuration of the #building# imposes constraints, including, but not limited to, deep, narrow or otherwise irregular #building# floorplates, limited opportunities to locate #legally required windows#, or pre-existing locations of vertical circulation or structural column systems, that would create practical difficulties in reasonably configuring the required #affordable floor area# into a range of apartment sizes and bedroom mixes serving a number of lower-income residents comparable to what such quantity of #affordable floor area# would serve in a more typical configuration, pursuant to the #guidelines# of the Inclusionary Housing Program. Before the Board issues a final determination on any application made pursuant to this Section, the Department of Housing Preservation and Development shall submit comment or appear before the Board regarding this finding.
- (b) the practical difficulties existed on [date of enactment].

For the purposes of this Section, defined terms include those set forth in Sections 12-10 and 23-911.

A copy of each application to the Board for a special permit under the provisions of this Section shall be provided by the applicant to the Department of Housing Preservation and Development concurrently with its submission to the Board.

The Board may prescribe such conditions and safeguards as it deems necessary to minimize adverse effects upon the surrounding area and the community at large.
