Int. No. 32

By Council Members Yeger, Menin, Louis, Marte and Holden

A Local Law to amend the administrative code of the city of New York, in relation to requiring a searchable dashboard for notices of violation issued by the department of sanitation

Be it enacted by the Council as follows:

Section 1. Title 23 of the administrative code of the city of New York is amended by adding a new chapter 9 to read as follows:

CHAPTER 9

DASHBOARDS

§ 23-901 Definitions. As used in this chapter, the following terms have the following meanings:

Dashboard. The term “dashboard” means a data visualization tool publicly available on the internet that

powered by Legistar™

includes a customizable interface and uses current data from one or more sources.

Department. The term "department" means the department of information technology and telecommunications or any successor agency.

§ 23-902 Notices of violation. Within 180 days after the effective date of the local law that added this section, the department of sanitation shall, in conjunction with the department, create a dashboard consisting, at a minimum, of data on all notices of violation issued by the department of sanitation on or after January 1, 2019. Such data shall include, but need not be limited to, the number of notices of violation issued each month, searchable by the issuing agent, date, type of violation and by address, block, community district and borough in which such violation was issued.

§ 2. This local law takes effect immediately.
