A Local Law to amend the administrative code of the city of New York, in relation to requiring parks enforcement patrol officers to be equipped with opioid antagonists

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 18 of the administrative code of the city of New York is amended by adding a new section 18-159 to read as follows:

§ 18-159 Opioid antagonist administration training. a. Definitions. For the purposes of this section, the following terms have the following meanings:

Opioid. The term "opioid" means an opiate as defined in section 3302 of the public health law.

Opioid antagonist. The term "opioid antagonist" means naloxone, narcan or any other medication approved by the New York state department of health and the federal food and drug administration that, when administered, negates or neutralizes in whole or in part the pharmacological effects of an opioid in the human

body.

Opioid antagonist administration training. The term "opioid antagonist administration training" means a

program with the purpose of training individuals encountering a suspected opioid overdose about the steps to

take in order to prevent a fatality, including contacting emergency medical services, and administering an

opioid antagonist.

b. Opioid antagonist administration. 1. Each parks enforcement patrol officer shall be equipped with an

opioid antagonist when on duty.

2. The department shall ensure each such offer receives opioid antagonist administration training.

3. The department shall ensure each such officer receives opioid antagonist administration refresher

training every two years.

4. No later than July 31, 2023, and by July 31 of each year thereafter, the commissioner shall submit to

the mayor and the speaker of the council an annual report containing the following information from the

previous fiscal year:

(a) The number of such officers who have completed opioid antagonist administration training;

(b) The number of such officers who have completed opioid antagonist administration refresher

training; and

(c) The number of times an opioid antagonist was administered by such officers, disaggregated by

borough, council district and community board.

§ 2. This local law takes effect 180 days after it becomes law.
