A Local Law in relation to developing a strategic blueprint to reduce capital project durations by at least 25 percent

Be it enacted by the Council as follows:

Section 1. By no later than December 1, 2023, the department of design and construction shall, in coordination with other agencies as appropriate, prepare and file with the mayor and the council, and post on its website, a strategic blueprint to reduce the average duration of capital projects by at least 25 percent. Such blueprint shall review, at a minimum, early completion incentives; standardization of processes, timelines, and forms; and agency coordination with utility companies.

§ 2. This local law takes effect immediately.
