A Local Law to amend the administrative code of the city of New York, in relation to information on free cardiopulmonary resuscitation courses available to the public

Be it enacted by the Council as follows:

Section 1. Chapter 1 of title 17 of the administrative code of the city of New York is amended by adding a new section 17-188.1 to read as follows:

§ 17-188.1 Information on cardiopulmonary resuscitation courses available to the public. The department shall post in a conspicuous location on the department's website in English and in each of the designated citywide languages, as defined in section 23-1101, information on free adult, child, and infant cardiopulmonary resuscitation courses open to the public. Such information shall include the location, date, and time of such courses. The department shall perform outreach as necessary to identify courses that are open to the public and the location, date, and time of such courses. Such information shall be updated at least annually.

§ 2. This local law takes effect immediately.
