Whereas, It is the responsibility of the State Legislature to enact legislation that ensures a safe and secure working environment for elected officials and their employees; and

Whereas, While the First Amendment's to the United States Constitution safeguards free speech, it does not allow citizens to threaten, harass or assault anyone; and

Whereas, The existing criminal penalties for threats, harassment, and assaults against elected officials and their staffers don't provide sufficient deterrence to potential offenders, and

Whereas, stronger penalties for those who engage in threatening, harassing, or assaulting elected officials' and their staffers can serve as a greater deterrent and reinforce the importance of respecting and protecting those who work for us while preserving citizens' rights to disagree with their views; and

Whereas, The New York City Council is committed to ensuring the safety and well-being of elected officials and their employees; now, therefore, be it

Resolved, That the Council of the City of New York calls on the State Legislature to pass, and the Governor to sign legislation to increase criminal penalties for individuals who threaten, harass, or assault elected officials and their staff members.
