A Local Law to amend the administrative code of the city of New York, in relation to an annual report on drainage infrastructure

Be it enacted by the Council as follows:

Section 1. Chapter 5 of title 24 of the administrative code of the city of New York is amended by adding a new section 24-532 to read as follows:

§ 24-532 Annual report on drainage infrastructure. a. No later than February 1 of each year, the commissioner of environmental protection shall submit to the mayor and the speaker of the council a report on the condition of municipal drainage infrastructure.

b. The report required by subdivision a of this section shall include, but need not be limited to, the following information:

1. A description of the current operational condition of all treatment locations, wastewater pump stations, sewer regulators and other critical drainage infrastructure; and

2. For every instance in the previous year where infrastructure was either out of service or operating at a reduced capacity;

(a) A description of the affected infrastructure;

(b) The length of the disruption;

(c) Whether such disruption was partial or full;

(d) The cause of the disruption; and

(e) A description of any actions, whether conducted or planned, in response.

§ 2. This local law takes effect immediately.
